AB FAQ, Malolo

The Malolo Agricultural Cooperative in Tanzania focuses on supporting small-scale farmers in the coffee sector. Its main activities include providing training on improved farming techniques, promoting sustainable agroforestry, and assisting in the establishment of nurseries with improved coffee varieties and shade trees. Additionally, the cooperative facilitates access to agricultural inputs and financial services for its members. By pooling resources and marketing coffee collectively, the Malolo Agricultural Cooperative enables small-scale farmers to achieve better prices and improve their livelihoods.
