COLOMBIA CAFICOSTA EXCELSO EP ORG.

The Sierra Nevada is an isolated mountain range in northern Colombia, separated from the Andes and running through the center of the country. At an altitude of 3500masl and only 42km from the Caribbean coast, it is the highest coastline in the tropics and one of the highest coastlines in the world. Coffee is mainly grown by indigenous groups in this region. This coffee comes from the CAFICOSTA cooperative, a cooperative with 2600 members including 600 women and 500 organic producers. CAFICOSTA supports producers by supplying fertilizers and consumables, tools, and machines.
