

ETHIOPIA CHIRE WS SIDAMO GRADE 2

Chire is a highland area located in Kere Woreda, in the Sidamo region, and known for producing high end specialty Ethiopian Sidamo coffee. Chire washing station produces both specialty washed and natural Grade 1 and Grade 2 coffees. The coffee station works with over 900 small holder farmers that grow coffee on areas between 1-2 hectares. Besides coffee, the area is known for producing false bananas and avocados.
